

The background features a dark blue gradient with a large, glowing, light blue sphere in the center. Overlaid on this are intricate, thin blue lines that resemble a circuit board or neural network, with small circles at various points. These lines are most prominent on the left and right sides of the frame.

Parent Forum

- What should I say when a business calls our home?
- Where can I get help filling out forms?

The screenshot shows the 'Start a Discussion' form in the Zoho Forums interface. At the top, there's a navigation bar with links: Home, My Requests, Submit a Request, Solutions, and Forums. Below this, a section titled 'Start a Discussion, engage users' contains five icons: 'Start a discussion' (speech bubble), 'Ask a question' (question mark), 'Propose an idea' (lightbulb), 'Report a problem' (warning triangle), and 'Announcement' (megaphone). The main form area has a large text input field with a rich text editor toolbar above it. To the right of the text field, there's a 'Forum (Select Forum)' dropdown menu and a 'Sub forum' dropdown menu set to 'Uncategorised'. Below these, there's an 'Attachments' section with a 'Desktop' button. At the bottom of the form, there are three sections: 'Notifications' with checkboxes for 'Notify me when a response is made' and 'Make it as sticky post'; 'Tag this post' with a text input field and a note '(Multiple tags are comma separated.) (Maximum 50 characters for each tag)'; and 'Email this post to' with a text input field and a note '(Multiple emails are comma separated.) (Maximum 5 Email-Ids)'. At the very bottom, there are four buttons: 'Publish', 'Save as draft', 'Preview', and 'Cancel'.

The screenshot shows the 'Recent Topics' page in the Zoho Forums interface. At the top, there's a navigation bar with links: Home, My Requests, Submit a Request, Solutions, and Forums. Below this, a section titled 'Recent Topics / All Forums' contains a list of topics. Each topic entry includes a user profile picture, a topic title, a 'New' badge, the number of replies, the last response by a user, and the time of the last response. The topics listed are: 'Is there any possibility to change the look and feel of the customer portal?' (5 Replies), 'Browsers supported by Zoho Support?' (2 Replies), 'Is Zoho Support available in Russian?' (1 Reply), 'Can Portal Users track other user's request?' (3 Replies), 'Zoho Support now provides Forums Integration as an Add-On' (4 Replies), 'How about customizing customer portal color?' (2 Replies), 'Can I add my Company Logo in the header??' (1 Reply), and 'I Would like to see Zoho Support having chat support to address customer issues from the website itself...I' (1 user likes this idea). On the right side of the page, there's a sidebar with a search bar, a 'New Topic' button, and several sections: 'User actions' (My Area, Moderation), 'All forums' (Support, Paid Users, Free Users), 'Announcements' (Zoho Support provides Forums in by Lawrence), 'Most discussed' (Is there anything else that can be, Zoho Support now provides Forum, Can portal users viewCC other ui, Technical requirements for Zoho?, Zoho CRM support Vs Zoho Supp), and 'Most popular' (Is there anything else that can be, Zoho Support now provides Forum).
